

The Fundamentals

FREE Summer Camps

The Fundamentals Summer Camps are FREE camps offered to the community for boys and girls going into the 1st through 6th grade. “The Fundamentals” Summer Camps are designed to teach children the fundamentals of each activity, while creating a safe and enjoyable experience for each child. The activities are for all children, boys and girls, ranging from the advanced to the beginner. The camp focuses on improving basic fundamentals by offering: skill stations taught by quality instructors, individual attention given to each child, emphasis on activity, developing skills through games, and an opportunity to win prizes through daily contests. It is our desire to help children grow in all areas. Our goal is not only to develop them physically, but to encourage them emotionally, and help develop character. Don’t sit and be bored over Summer break. . . join us for a FUN time at, “The FUNdamentals” Summer Camps!
